Terms and conditions

Van Dijk Installatietechniek · version 1 September 2026

1. Quote

A quote is valid for 30 days. Prices are in euros, including VAT, unless stated otherwise.

2. Acceptance

The order is placed as soon as the customer accepts the quote online. By accepting, the customer agrees to these terms.

3. Payment

On acceptance the customer pays the deposit for the materials. The other instalments are in the payment schedule with the quote. Payment within 14 days of the payment request.

4. The work

We schedule the work together. Extra work is only done after the customer agrees, with a new version of the quote.

5. Guarantee

We give a two-year guarantee on our work. Materials carry the manufacturer's guarantee.

> These are example terms with the OfferDesk example quote. In OfferDesk you add your own terms and conditions, and your customer sees them with every quote.
